

A.M. Camp (8:30 - 12:00): ¡3, 2, 1 Acción!/3, 2, 1 Action!

Discover the actor within you! Come join us for 2 weeks of fun filled experiences for new and old actors featuring games, improvisations, make-up, costumes and much more. Kids will use a variety of techniques to explore emotions and voice, develop their social skills and self-esteem, and express their creativity. They will also learn about important plays from different world cultures and, of course, will have the opportunity to take to the stage!

P.M. Camp (12:30 - 4:00): There is no P.M. Camp for children ages 3 & 4, but extended care is available. Please see the registration form.

Session IV: August 6 - August 17)

A.M. Camp (8:30 - 12:00): PequeCientíficos/Little Scientists!

Join us for two exciting weeks of discovering the wonders of science: mixing, testing, and experimenting. Kids will be getting their little hands dirty, digging, exploding, launching and other mad experiments that will make their little heads spin. This engaging class will be expanding their understanding of the world around them, and the development of their gross and fine motor skills.

P.M. Camp (12:30 - 4:00): There is no P.M. Camp for children ages 3 & 4, but extended care is available. Please see the registration form.

CAMPS FOR KINDERGARTEN - 2nd GRADE

Session I: June 25 - July 6 (No camp July 4)

A.M. Camp (8:30 - 12:00): El País de las Burbujas/Bubble Wonderland

Join us for two weeks of fun, and learn all about the science of bubbles. Bubbles are not only among the most playful phenomena in the world, their study also reveals much about fields in science and mathematics. Children participate in an open-ended exploration of water, air, and colors. They gain through play and develop an intuitive sense of what science is all about, cooperating as needed and learning at their own pace and level.

P.M. Camp (12:30 - 4:00): Expedición por el Mundo/Expedition around the World

Grab your brand new passport and get on board for a fun adventure with us! Children will explore the different parts of the world, and our little explorers will learn about the different cultural aspects of each place. We will be listening to native music, learning dances, experimenting with traditional foods and creative arts and have some exciting guests and trips! This trip goes as far as our imagination can take us!

Session II: July 9 - July 20

A.M. Camp (8:30 - 12:00): Diveraventura por el Safari/Safari Super Adventures

Join us for an exciting adventure around the Safari! Kids will be combining high-energy activities and fun filled songs to connect with the different animals and the aspects of a Safari. We will have animal encounters, special zoo experiences and participate in hands-on activities, observations, crafts, games, stories and projects galore! This is the perfect Spanish experience for the animal lovers. Find your favorite and join the parade on our last day!

P.M. Camp (12:30 - 4:00): Circolimpiadas/Circus Olympics

For a bouncing good time come and join us this summer! We want to introduce kids to the world of circus and it's performers while we also create our own. We will be juggling, clowning around, painting our faces, getting dressed up in costumes, doing basic acrobatics and learning about circus history with our teachers and special guests. Kids will also learn about teamwork and being good winners and losers with our own camp Circus Olympics!

Session III: July 23 - August 3

A.M. Camp (8:30 - 12:00): ¡3, 2, 1 Acción!/3, 2, 1 Action!

Discover the actor within you! Come join us for 2 weeks of fun filled experiences for new and old actors featuring games, improvisations, make-up, costumes and much more. Kids will use a variety of techniques to explore emotions and voice, develop their social skills and self-esteem, and express their creativity. They will also learn about important plays from different world cultures and, of course, will have the opportunity to take to the stage!

P.M. Camp (12:30 - 4:00): De la Semilla a la Mesa/Seed to Sauté

This class is perfect for blossoming minds! Children will learn about all the amazing things happening in the garden as they explore how things go from those little seeds to tasty masterpieces on our table! They will also learn about the influence of weather and the role bugs play in our garden, all the while improving their motor skills and working with numbers. Exciting culinary adventures are part of the fun as we learn about local, sustainable foods! These little gardeners will become chefs creating delicious food!

Session IV: August 6 - August 17)

A.M. Camp (8:30 - 12:00): Científicos Locos/Mad Scientists!

Join us for two exciting weeks of discovering the wonders of science: mixing, testing, and experimenting. Kids will be getting their little hands dirty, digging, exploding, launching and other mad experiments that will make their little heads spin. This engaging class will be expanding their understanding of the world around them, and the development of their gross and fine motor skills.

P.M. Camp (12:30 - 4:00): ¡Artanza!/Danzart!

Calling all dancers, artists and imaginative minds to embark on a journey filled with fun and fantasy! This adventure is a perfect blend of creative arts and dance from around the world. Campers' imaginations will run wild, and they will create their own masterpieces, costumes and songs or become the next *estrella* of dance! The little ones will develop their creativity and motor, socialization and language skills. The bigger kids will develop team building skills, self-esteem and their appreciation for different arts and cultures. We will have special visitors that will teach us how to shake it! And we will say good-bye to the summer with our own Carnaval!

CAMPS FOR CHILDREN IN 3RD - 5TH GRADES

Session I: June 25 - July 6 (No camp July 4)

A.M. Camp (8:30 - 12:00): Mi Manera de Verlo/The Way I See It

This camp is an exciting opportunity for children to explore the arts, their own creativity and develop a stronger understanding of themselves all while learning Spanish! Campers will use a variety of media including photography, comics and poetry to tell stories about themselves and how they see the world. They will also build their problem solving, critical thinking and communication skills as they make decisions about editing to share their ideas and perspectives with others! Join us and tell us the way *you* see it!

P.M. Camp (12:30 - 4:00): Expedición por el Mundo/Expedition around the World

Grab your brand new passport and get on board for a fun adventure with us! Children will explore the different parts of the world, and our little explorers will learn about the different cultural aspects of each place. We will be listening to native music, learning dances, experimenting with traditional foods and creative arts and have some exciting guests and trips! This trip goes as far as our imagination can take us!

Session II: July 9 - July 20

A.M. Camp (8:30 - 12:00): Folklore Indígena/Native Stories

Imagine what it would be like traveling back in time! This summer we want to celebrate the heritage of the Americas by learning about Native histories and cultures. We will have special guests and visits. Kids will be participating in activities that involve them in folktales, learning new words, proverbs, traditions, dances, preparing traditional foods, arts and much more!

P.M. Camp (12:30 - 4:00): Olimpiadas del Mundo/World Olympics

Calling all active kids! Campers will learn basic and intermediate skills and techniques of different sports from around the world. They will learn about being good winners and losers, how to focus and the discipline necessary to be an athlete while building self-esteem and confidence. They will dive into the what, when, how and who with the camp culminating in our own Olympics!

Session III: July 23 - August 3

A.M. Camp (8:30 - 12:00): ¡3, 2, 1 Acción!/3, 2, 1 Action!

Discover the actor within you! Come join us for 2 weeks of fun filled experiences for new and old actors featuring games, improvisations, make-up, costumes and much more. Kids will use a variety of techniques to explore emotions and voice, develop their social skills and self-esteem, and express their creativity. They will also learn about important plays from different world cultures and, of course, will have the opportunity to take to the stage!

P.M. Camp (12:30 - 4:00): Mentas Activas/Problem Solvers!

Our campers will get their wheels spinning discovering the wonders of inventions that changed the world and the minds that made them. They will solve special mysteries, break secret codes, answer age-old riddles, embark on scavenger hunts and explore intriguing questions that will help them develop their Spanish, creativity, problem solving, communication, leadership and teamwork skills. This camp will be filled with exciting games and prizes for those active minds!

Session IV: August 6 - August 17)

A.M. Camp (8:30 - 12:00): SúperCientíficos/Super Scientists!

Discover what those crazy scientists are really up to in their laboratories! Campers will have a ton of fun whipping up potions, testing secret formulas, experimenting and learning cool facts about their scientists. This camp is chocked full of fun games, hands on experiences and outdoor adventures that will let them use those mad skills they are learning to solve some mysteries that not even Einstein could figure out!

P.M. Camp (12:30 - 4:00): ¡Artanza!/Danzart!

Calling all dancers, artists and imaginative minds to embark on a journey filled with fun and fantasy! This adventure is a perfect blend of creative arts and dance from around the world. Campers' imaginations will run wild, and they will create their own masterpieces, costumes and songs or become the next *estrella* of dance! The little ones will develop their creativity and motor, socialization and language skills. The bigger kids will develop team building skills, self-esteem and their appreciation for different arts and cultures. We will have special visitors that will teach us how to shake it! And we will say good-bye to the summer with our own Carnaval!
