

EBI Diversity Fund- Family Application

Please download and complete this application then send it to DFApplication@ebinternacional.org. You should expect to hear confirmation of receipt within 7 business days and to be invited to an in person interview to assist the independent committee in making award determinations. You can expect to hear a final answer within 4 weeks.

The Diversity Fund is primarily designated to reduce financial barriers to EBI's unique educational experience. Specifically the fund is intended to support families that enrich EBI's diversity. A committee will evaluate applicants' eligibility for an award. Among the criteria the committee may consider is whether a family meaningfully enriches EBI's diversity by virtue of national origin, religion, ethnicity, race, family structure, different abilities, native language, gender identity, sexual orientation and/or support for EBI's diversity-related efforts, as well as EBI's current diversity goals. Awards are only available to current EBI families.

Awards are for a single year. A family may apply more than once but there is no guarantee for awards beyond one year. Applications may be made at any time. Families with an adjusted tuition are still eligible for DF assistance, and will need to include School and Student Services (SSS) forms along with this application.

Student's Name(s):

Tell us about your family story, and about how your family enhances or enriches EBI in its commitment to Multiculturalism, Diversity and Inclusion.

Tell us about why your family needs this support and about what your specific financial needs are at this time.
