Our after-school full-immersion Spanish language classes build confidence, motivate students and enhance their language skills. They have two different sections and levels, and children are grouped together by their level of Spanish comprehension. Upper level students learn written Spanish as well. Each class incorporates art, storytelling, games and music and multimedia activities. Please pack a snack for your child and comfortable clothes for playing outside.

EBI after-school Spanish classes are taught at 410 Alcatraz Avenue, Oakland, CA, 94609. Click [here](#) to see the classes offered in our [Enrichment program](#).

Parking for these classes is located in our parking lot on the left side of the church located next to the school. The instructors will email the class details to all of the families the week before the first day of class. If you do not hear from us, we may have the wrong email address on file. If this is the case, please contact us at programs@ebinternacional.org.

EBI also offers a [Free Spanish Storytime](#) for young children in our local community, with an adult, on the second Saturday of every month!
